

TRAINING RIDE

Con Shea Basin

(Near Murphy, ID)

Mounted Orienteering is an equine sport that combines riding with map reading, compass use, direction-finding skills and clues to find five hidden plates.

Come out and enjoy this treasure hunt style ride. During this one time a year training ride, members can ride out with you and your group or you can go on your own and learn how it's done. Be careful! It's very addicting...and lots of fun!

Participation in IMO is fun and easy. After arriving at the ride site, sign-in, sign a Release of Liability form (one each rider), pay ride dues, and get the landmarks and clues to find marker number one. If you need it, ask for help in finding marker number one and/or for an experienced IMOer to ride with you on the ride. When you and your steed are ready, come back to camp for the ride map. Although this is not a timed event, after finding the markers, please come back to camp to check in. After taking care of your steed, bring your chair and enjoy hot chili and lively discussions about the ride.
